SPONSORSHIP OPPORTUNITIES

**Say YES to a better
future for our scholars
and our community**

You believe it's important to invest in our youth to ensure a brighter future for our community. You also believe education is a tool that can lessen disparities and help children overcome barriers no matter their family's socio-economic status.

Your sponsorship ensures access to a rigorous, faith-based education that many families in our communities would not be able to afford. In fact, 90% of our general operating revenue is generated through sponsorships, individual donations, and grant funding. Only 6% comes from tuition and fees paid by families.

By becoming an Academy sponsor, you are supporting educational equity, and you are helping our scholars succeed now and in the future.

Corporate Sponsorship Opportunities
